

Information Technology Questionnaire – Addendum to the Money Transmitter Application
 (Rev. 04/01/2023)

General Instructions

Please answer the following information technology program (ITP) questions as part of the application process. Many of the questions require only a “Yes” or “No” response. However, you are encouraged to expand on or clarify any response as needed, directly below each question in the “Comments” section. Each question must be answered for the questionnaire to be complete. Provide supporting documentation as needed.

The questionnaire must be signed by an executive officer in front of a notary, affirming the accuracy and completeness of all responses. **Once complete, upload to NMLS under the Additional Requirements section.**

NMLS #	
Name of Applicant	
Qualified individual responsible for the ITP	

1.	Yes	No
Has management designed and implemented an information security program (ISP) to protect customer and other non-public information?		
<i>If no, why?</i>		
<i>If yes, does the ISP include:</i>		
a. Written policies and procedures?		
b. Employee training provisions?
